Dear Parents/Carers,
Our first full week back and it feels like we were never away!

Update on Mrs Nicholson

Mrs Nicholson has had to undergo surgery and is unable to return on this weekend's flight. Mrs Tyte has agreed to continue to teach Maths and Business Studies in the meantime and we are most grateful for this. We wish Mrs Nicholson a speedy recovery.

Message from Mrs Yon

Could you please have another look at home to see if you have any tea towels, pizza trays, baking trays, red plastic trays, pyrex dishes, or text books that have not been returned from borrowing last year - our stocks are dwindling. We would be grateful if these could be returned at your earlier convenience. Thank You. CY

Clubs

A list of all the clubs on offer at the school is attached to the newsletter this week. All clubs will begin next week apart from the drama club which will begin the week after next (week beginning 23rd September).

Head Students

Tyran and Kirsten have been chosen to be our Head Students this year. Congratulations to them both. It is a great honour to be chosen for this position and one that future employers will look kindly upon. The Head Students will be undertaking some high profile tasks this year so we wish them well.

Governors

You may remember that I sent out nomination slips for members of the Governing Body at the end of last term. If you would like to become a Governor, please return your slip by the end of next week (20th September). If you have lost your slip, we can give you another. Please contact Mrs John in the school office.

Head Lice

We have had several reports of head lice in school again. I would ask that all parents check your child/children's hair this weekend please. If you find head lice, please contact Hayley Snell at the hospital who is happy to advise parents on treatment.

Have a great weekend.
