

School News

Friday 20th September 2019

Dear Parents/Carers,

We welcome back Mrs Yon to the island this week and we also welcome Mrs Winnie Bagley to the staff team.

Assemblies

Last week's assembly theme for seniors was 'Homework'. We talked about the research and evidence which proves that doing homework impacts on exam results. I would ask that parents support their child with homework task. Parents of senior pupils are asked to check diaries and sign.

The primary theme was 'Challenges' and we talked about the fact that new learning is meant to be difficult to start with but the learning process leads to understanding. We talked again about the power of 'yet' and are working to develop growth mindsets.

This week Rev. Gavin will lead the assembly on the theme of 'Peace' as 21st September is the international day of peace.

Parent Governor

If you are interested in being a parent Governor, please either return the form sent out before the holiday or contact the school office to obtain a new form.

Have a good weekend.

Alison Emmerson
Headteacher
