

School News

Friday 11th October 2019

Dear Parents/Carers,

This is my last newsletter. 😞

I have really enjoyed my 3 and a bit years as Headteacher at Two Boats School. The children here are some of the most polite and engaging young people I have worked with. I wish them all every success in the future. I am sure the staff team will make Mrs Quinn very welcome when she arrives but I know I leave the school in safe hands with Mrs Yon.

Ascension is a unique place and Steve and I feel privileged to have been spent time here. We have made some lasting friendships and leave with fond memories.

Now school news.....

Mrs Crowie's French Assembly

Well done to the year 3 /4 & 5/6 who put together a wonderful assembly on Friday 27th September about the European Day of Language. Year 3 and 4 showed off their posters and new French words that they had learnt for different sea creatures, based on the Primary shared topic, Billy's Bucket. The year 5 and 6 class showed how to communicate a dialogue in French and how to translate it. They performed a well-known song in French 'head, shoulders, knees and toes' and finally said 'thank you' to everyone in many other languages including Portuguese, Danish, Greek and Croatian.'

Year 7 testing

Next Thursday in ICT lessons, Year 7 will be completing a baseline assessment as is customary in senior school here, to gauge a Baseline level for KS3. From this assessment we will have information indicating your child's potential at the end of Year 9 and then will be able to set targets accordingly. We will send a report on your child's results when we have received them. No revision is necessary for this test.

School website

I would like to remind parents that we are trying to reduce the amount of paper we send out and that the newsletter will be published on our school website: www.tbschool.edu.ac. Please remember to look there each week.

Business Studies

Congratulations to our Business Studies groups who have been encouraging us all to spend money this week! I hope to hear that profits have been made.

Thank you

My grateful thanks to Mrs Helen Tyte for stepping in to cover for Mrs Nicholson. Mrs Nicholson will return on this weekend's flight.

That's it from me. Have a great weekend.

Kindest regards,

Alison Emmerson
Headteacher
