Friday 6<sup>th</sup> December 2019

Hello everyone,

## Sponsored Walk

Our Sponsored Walk was a great success last Friday. We started the day with a short assembly reminding us of why we were taking part in this event, and I am pleased to say that we had every child participating in the walk. We are awaiting a few more sponsor forms and should be able to reveal our total amount raised in the New Year.

## Sports Day 2019

We had an eventful day on Sunday 1<sup>st</sup> and students did strive to achieve their personal best.

Well done to Dampiers who were Champion winners with 126 points followed by Cronks with 116 points and Elliots with 106 points. Much appreciation is extended to staff, PTA members, friends and parents of the school who helped in any way to organise such an annual event. This was Mr Duncan's last Sports Day and I would like to take this opportunity to thank him for his hard work and for the hours he has put into making it a success. I look forward to more parent involvement next year in support of staff at school for this event.

## Year 5 and 6 Visit

On Wednesday, Year 5 and 6 went up Green Mountain and Jubilee Hill as part of our unit of learning about the history and geography of Ascension. We learned about the differences in eco-systems on the mountain and the history of some of the buildings, before learning about the fortifications and cannon on Jubilee Hill. It was a great morning! Thanks also to Dave Kewley for driving the bus all morning. Mr Britten

This will be our last newsletter for this year. I would like to take this opportunity to thank staff, student, parents and friends of Two Boats School for their support so far, in moving the school forward. I would like to wish everyone a Merry Christmas and a happy, healthy New Year.

Have a well-deserved Christmas Break and see you back in the new year.
