

School News

Friday: 24th January 2020

Hello everyone,

We are back with almost our entire teacher cohort in post and are delighted to welcome our Primary Assistant Head – Miss Sophie Collard. Miss Collard is also the main Year 1 & 2 teacher and will be supported by Mrs Angela who will deliver some of her lessons so that she can resume leadership duties.

I am continuing the acting position until the new Head arrives in Mid-March so I look forward to your continued support until then. Any issues or concerns relating to school matters feel free to contact me during school hours.

Ms Carolyn Yon
Acting Head Teacher, TBS

Swimming Sessions

These will resume this term and please ensure your child is prepared with sun lotion, appropriate swim wear for such lessons.

School uniform shirts

We are considering making a special order for uniform shirts. Some sizes have gone out of stock and we are planning on ordering a new stock. Because this is a special order it will come at a cost - a little higher than the current price. Prices will be confirmed once the order has been placed and shirts will be ordered once they have been paid for.

If you require new shirts for your child/ren, between now and September, I would be grateful if you could get your child to collect an order form from school and return it to the school office by Jan 31st 2020.

Re-use of school uniform shirts

Don't be afraid to recycle old shirts. The school would be grateful for parents who have shirts that are too small for their children (but still in good condition), kindly to donate them to the school so that we can offer these to those who are desperately in need of them. Should you have any to donate, please place

the clean shirt/s in a bag and send to the school office. This would be much appreciated.

Use of school buses

Please support us by speaking to your child about respecting the school buses. They need to pick up litter dropped and they should not be eating or drinking on the buses. This week more rubbish was stuffed in the back of bus seats. More recently, we have been concerned about some students who had to be reminded to wear seat belts, as well as not behaving sensibly on the buses e.g. fiddling with seat belts of others. Failing to do so will have consequences should we have to bring this subject to light again.

Art Club – Years 10 and 11 will be offered Art clubs on Thursday 3.30pm – 4.30pm to catch up with work missed. Friday lunch break will also be offered for Art work to be completed.

**Enter the COBIS Art Competition to
celebrate your students' artistic
accomplishments and help them achieve
international recognition.**

Competition Now Open

- Key Stage 3

Theme

All entries must follow this year's theme, '**Today's actions shape tomorrow's world**'. Students can interpret this theme in any way they wish, but it must be reflected in their artwork.

Speak to your child about this competition and please encourage participation.

Competition Dates

This competition will run from **Monday 27th Jan. 2020** until **3pm (GMT) on Friday 14 Feb 2020**. Pass on to Mrs C. Yon.

School News

Friday: 24th January 2020

Head Lice

These are back and I would appreciate it if you could check your child's hair and treat it accordingly – treatment can be obtained from the hospital.

PTA Meeting

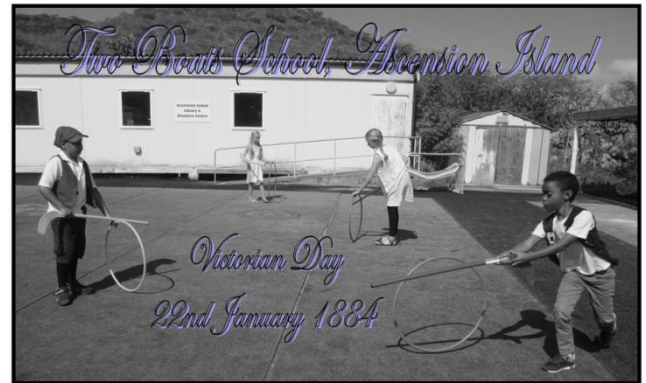

The next PTA meeting will be on Monday 27th January 2020 starting 6pm at the home of Megan Young.

Line Dancing Lessons

Line dancing lessons will take place on Sunday 26th January 2020 at Two Boats Club starting at 4pm. Lessons will be easy and free of charge. For more information you can contact Mrs Cyndi Corney on Tel: 66412 (work) or 64600 (home).

Year 3-4 Victorian Times

Year 3 and 4 had a very successful day being Victorians!
They dressed up and did Victorian style school lessons and activities.
This supported their learning of the Term 3 history topic 'Victorian Times'.
Mr Carthew would like to thank the parents and carers for their wonderful contribution of fantastic outfits for the children which really made the day!
Many thanks to all involved for your help to make a great day and a great experience for the children.

Year 7-8 Baby Project

Year 7 and 8 are studying human reproduction in science. As part of this unit pupils are asked to look after a 'baby' for a week. So do not be surprised to see pupils walking around with 'babies' this weekend when out and about. One of the requirements of the project is that the 'babies' are not left unattended during the project. So parents, grandparents and guardians of year 7 and 8 pupils you may be asked to babysit! If you are do please make sure you are well remunerated! Ms Birch, Science Teacher.

Have a great weekend!

Ms Carolyn Yon
