

School News

Friday: 21st February 2020

Hello everyone,

We have come to the end of term 2A and what an eventful term it has been. Next week is half term holidays and whilst most of us will have the luxury of a lovely half term break, Year 11 and senior staff will be committed to holiday support sessions to ensure work that has to be brought up to date/improved for GCSE standards are in order.

Year 11

This week, Year 11 has been given a holiday support schedule, a coursework and exam work schedule (prior April 30th 2020) as well as their June 2020 series exam schedule. It's all go for Year 11 and I sincerely hope that they will work hard to meet deadlines set.

Don't forget Family Skittles tomorrow Saturday 22nd February at Two Boats Club from 5pm. Any monies raised will go back into PTA funds.

Staff Absence

Mrs Nicholson will be leaving us next week and is due to return 2nd week in March for medical reasons. We wish her well. Cover has been organised for her absence.

Staff Farewell

Mrs Carol Fuller leaves us today as a TA and will join her family as they leave next month for St. Helena. Mrs Fuller has been a valuable member of our team and her input will be missed. We wish her all the best in her new ventures.

Uniform shirts

We are still awaiting a quote on this, so hopefully more details will follow after the holidays.

Assemblies this week

These were delivered by Year 10 and EYFS.

Year 10 presented ways in which Maths were applied to everyday scenarios - featuring skills relating to trigonometry.

EYFS gave a short but entertaining assembly highlighting aspects of children's traditional short stories.

Have a great weekend and enjoy your kids this holiday!

Ms Carolyn Yon,
Acting Head teacher.
