

School News

Friday: 06th March 2020

Hello everyone,

We are now into Term 2B, which means that we are half way through this school year. This is a particularly crucial term for Year 11 as there are coursework deadlines to be met and of course, some exams are scheduled as well. All the best to Yr 11's in their studies at this time.

World Book Day will be celebrated in the Primary sector next week and we look forward to seeing your children in costume as outlined on the attachment.

ADF Arts & Crafts Programme is also attached, so please get thinking about your children's home entries.

The PTA has to be applauded for their efforts in organising the Family Skittles night which was enjoyed by all in attendance. Thank you for supporting this body

Sponsored Walk

All monies have now been collected and a grand total of **£902.55** has been raised. £180.55 will be donated to the PTA, £361.00 to Children in Need and £361.00 to the Administrators choice of charity for World Children's Day. Well done to everyone who participated and thank you to all who helped to distribute our sponsor papers and supported our kids.

Year 3 & 4 'Open Session'

Year 3 and 4 had a successful 'Open Session' with parents and carers on the final day of last term. The school would like to thank so many families for their support in making the time to come and join us. The children enjoyed teaching their families about life in Victorian times, which they learnt in the 'Talk for Writing' scheme in their English lessons. They also enjoyed sharing their Victorian facts, artwork, poetry, playing a parlour game, and a little bit of quiz time too. Mr Carthew

Cover for Maths and Business Studies

In Ms Nicholson's absence for this week and until she returns -hopefully next week, we have Mr Andy Hobson and Mr Ian Lamb, along with teaching staff covering her lessons. I would like to thank those who have given up their time to assist with much needed cover.
