

Year 11 Art coursework 2020 is finally finished and we like to share with you their outcomes.

Kirsten was inspired by the theme: Shells

Tate focused on 'Fashion Accessories'.

Krista's theme was 'Brazil'

Chloe worked on the theme: Africa

Coursework in art allows students to explore and experiment with direct observational studies in various media as well as mixed media concepts. They explore art processes and are encouraged to work in the style of different artists, art movements as well as environmental and cultural influences .

Research work has to be documented and evaluated as part of the assessment criteria. Final pieces are great and I sincerely hope the preliminary work does your grade justice—Well done girls!
