

# School News

Friday 11th September 2020

Hello everybody,

This week is our first full week back at school since the holidays and we are all back into the full flow of teaching and learning. Our EYFS pupils have completed their first full week in school and it has been a pleasure to see how quickly they have been settling into the routines of the class. Under the careful care and support from Tammy and Clare they are starting their learning journey through play and are already growing in confidence as each day progresses. We look forward to seeing their continued success and I have no doubt that in no time at all they will be sailing along!

At the other end of the school, our year 7 students are also settling into the seniors and one week on, are embracing the challenges in this phase. Through conversations in PHSE lessons it is evident that many of the concerns which they anticipated have not come to fruition. The emotional wellbeing of our students is always a priority for us and all staff are dedicated to the pastoral support and welfare of our students. Next week. As part of this process, next week, Clare Grey, who is our pastoral leader, will be scheduling individual time with all of our new students to ensure they are settling into Two Boats School and that they have an opportunity to discuss any concerns which they may have. This valuable work which Clare undertakes is instrumental support for many of our students who require additional support at various times and about various issues. Clare is dedicated to this role and has made a difference to so many of our students.

As many of you will be aware, this is my last week at Two Boats School. The school has made huge progress and is going from strength to strength. I would like to extend a huge thank you to the many excellent teachers in the school for their continued support and dedication to our students and to the school as a whole. It has been a huge privilege to work alongside so many fantastic students and staff and I wish the whole school community all the very best for the future.

Farah

## Farewell to the Kewley's

We said goodbye to Jack & Caitlyn today after two years at Two Boats School. Thank you also to Jenna for all her help with the School and Library, and to Dave for being a parent Governor on the School Governors Committee and volunteering his time with the after school Football Club. We wish you all the best of luck for the future.

## Conservation - John Muir Awards

Jolene and Laura from Conservation joined our Assembly this morning to give out John Muir certificates to all the Explorers who participated during the holidays. The John Muir Award encourages people to connect with, enjoy and care for wild places. You can find more information on <https://www.johnmuirtrust.org>. Well done Explorers!

Just a reminder that students should have their water bottles filled with water and not juice, during class time. Water Fountains are available in school to refill bottles.

Students who received award vouchers at the End of Year Awards Assembly please send your orders in to Mrs John in the school office as soon as possible, thank you.
