Primary House Captains

Hello everyone,

We are still looking for Parent reps for our School Governors as well as PTA Committee, and would appreciate your support. Please contact me at school for further information if you need to.

Lots have been going on this week in terms of celebrations and success. Enjoy the read!

Jeans for Genes Day

On Monday 21st September, TBS celebrated Jeans for Genes Day. Year 7 led the Whole School Assembly, where they shared information about genetic disorders affecting children. They also told us about what the Jeans for Genes Charity does to help these children. At lunch time, there was a colouring activity for the primary school. We raised a total of £110.00 which will now be sent off to the Charity. A big thank you to SURE (SA) Ltd and all who contributed money.

A little reminder, Sports Day will be held on Sunday 18th October, further details will be issued nearer the time.

In Year 1 and 2 we have been learning all about Our Local Area. We used our new knowledge of North, East, South and West to find our way around Two Boats. We visited all the local hotspots including the swimming pool – it was tempting to throw Miss Winnie in but it was pretty cold!

We also went to JAMS, Two Boats Club and the play park. We used the opportunity to look out for our local recycling bins! Unfortunately we got rained off, so we swiftly (but safely) made our way back to school. We look forward to heading out again soon! – Miss Collard

Student Council

Tuesday 15th September was World Democracy Day. Here at TBS, five potential candidates gave speeches to the whole school in an assembly on Friday 18th, in a bid to win votes to be the new Head Boy and Head Girl.

All five candidates spoke confidently and eloquently and their speeches were thought provoking, offering great agendas with clear intentions and a degree of humour too. The candidates also spent some time visiting Year 7 and the

Primary School classes to speak with the students. A big well done to all five candidates!

Each member of staff and the students then had the opportunity to cast their vote by secret ballot. The votes were officially counted and verified on Monday afternoon and the new Head Girl and Boy revealed.

Congratulations to Kelis Beard and Cain John on your new appointments.

'Year 3 and 4 cast their votes for our Head Pupil elections'

This week, each class then voted for a class rep to form the new TBS student council.

I look forward to working with the new school council this year.

Mrs Maggott

On **Thursday, 1st October**, there will be a hands-on, active workshop held for all **Primary parents** about maths at 1730 in the Year 5/6 classroom.

If you've ever struggled with your child's homework, or found the methods you use are different to those your child uses, feel free to come along! There may even be biscuits!
Mr Britten

Today was the first independent practical task for our new Year 7. We made a fruit salad to demonstrate our knife skills and knife safety. All students enjoyed the making and some found the reasons for eating fruit somewhat distasteful. Great job Year 7!

Year 1 & 2 students achieving times table success
Well done to Shaelyn, Kiana and Tanzi!

Year 10 Students went on a School outing on Thursday around Two Boats Village. They learnt to converse in French about their surroundings.
