

School News

Friday 4th September 2020

Hello everybody,

A warm welcome to the first newsletter for this academic year. Following our INSET day, on Wednesday we welcomed our students back for a short week following the holiday. This is always an exciting time of the year for school communities around the world and Two Boats is no exception. We were delighted to see our students and also to see how much they had grown! This year we welcomed 9 new students and it has been remarkable to witness how quickly they have been settling into school. In no time at all everyone was back into the swing of things with teaching and learning going full steam ahead.

On Friday we opened the school for a parents and carer morning for our new EYFS pupils. The children thoroughly enjoyed being in school and we are overwhelmed by how curious and enthusiastic they were. This is a huge moment for both the parents and for the children as they embark on their first school day and the start of a new journey. We wish them and all of our students all the best for the year ahead.

Happy weekend,

Farah

The Year 3 and 4 Team are ready for action! We are looking forward to a super year ahead 😊
