

School News

Friday 9th October 2020

Hello everyone,
How time flies! We have one more week to go before the half term holidays and there is still lot's to fit in. There are lots of volunteers needed, as is noted below and upcoming events to bear in mind. This is our second week in operation under acting roles and Mrs Maggott and I would like to thank all staff and parents so far for their continued support and interest in our school.

Once again, I would like to inform parents that should there become any matters regarding Two Boats School that you may wish to address, please feel free to make an appointment with me to discuss this further.

Sports Day is scheduled for Sunday 18th October and Mr Duncan has a letter attached on plans for this day. Anyone wishing to help set up tents on the afternoon of Friday 16th, please meet him at the field at 2pm.

We are still seeking parent reps for our PTA and School Governor's Committees, as well as seeking people who would like to be Invigilators, Scribes or Readers for this year's cohort of Yr 11 exams. This will start with our mock exams in November. Training will be given first week back after the half term holidays and hours employed will be paid for.

A Harvest Festival assembly will be held at the school next Friday 16th October at 11.15pm, after which we will share in our usual Harvest Feast. We would appreciate your input in allowing your child to bring a plate of eats to share on this occasion. School will close at 1pm on this day, in lieu of Sports Day on Sunday 18th October 2020.

Have a good weekend

Ms Carolyn Yon
Ag Head Teacher

This term in Science, Year 1 and 2 have been learning all about our amazing bodies – specifically the five senses. Last week we explored our sense of taste with a particularly interesting spread of food. We used Venn diagrams to sort the foods into different groups, including sweet, salty and sour. We all enjoyed trying the biscuits, Chocolate and most of the

fruit....but when it came to trying the lemon and the rhubarb, we pulled some pretty strange faces!
Miss Collard

'Year 3 and 4 were reporting on the news this week in English using iPad cameras and iMovie software'

Year 2 class has been learning about using the Internet in their ICT lessons. These last two weeks they learnt about Blogging. They took some photos and drafted information to go with them. Today Year 2 learnt about adding a blog to our schools website. They created a blog with the photos taken by themselves and have also added their information to go with them. Please visit the Two Boats School Website <http://www.tbschool.edu.ac/>. Enjoy our Blog, from Year 2 and Mrs Angela Yon - Primary ICT Teacher.
