Friday 13th November 2020

Hello everyone,

Today, in our assembly, Mr Duncan brought the celebration of Pudsey Day to life as he entered in an improvised Pudsey outfit, Ascension Style! Maybe next year we should invest in a Pudsey outfit/bear for this very important annual event. Mr Duncan emphasized how important the monies raised each year contributes to Children In Need in the UK and this year, as many children are kept in lockdown during this COVID pandemic, the focus has been in support of children's mental health. He encouraged our children to also engage in stimulating activities to keep their brains active through some simple stimulating challenges and urged them to tune into the Pudsey programmes on TV, that feature touching stories throughout the UK, where the funds we raise will contribute to the mental wellbeing of others.

Fund raising for TBS

We are planning a sponsored walk on Monday 30th November and a Xmas Raffle in aid of Two Boats School PTA funds. These funds are used to provide playground equipment, our children's xmas party, prizes, etc.

Sponsor papers have been issued and we would be grateful if your child could complete one sponsor sheet, but if they feel that they can get in more sponsors then that is fine. The person with the most money collected will get a prize.

We are having a raffle organised for the night of our xmas production which will be held on Friday 27th November. We would appreciate contributions to any of our hampers – Food/Wine/Beauty - by Monday 23rd November. Please make sure food items are in date and of course, parents only, are allowed to bring in the Wine! Please bring all items to the school office to Denise, our School Secretary.

Flu Vaccines

We would be grateful if parents/guardians of students who have not had their flu vaccine at school, and would still like their child to have one, please contact Hayley at the Hospital directly to arrange this. A big thank you to Hayley for coming in to school and administering the vaccine to staff and students.

Year 3/4 had a fantastic trip to Green Mountain.

We met up with the Conservation team for a 'map skills' workshop and games. After snack time we hunted for clues to find the pirate's treasure in an orienteering activity. The treasure was two hundred year old biscuits, which we enjoyed eating together! It was a great trip out. Many thanks indeed to Conservation's James and Megan for their brilliant activities, and to all the adults who helped with the visit!

Mr. Carthew

Happy Friday everyone!

It has been a super busy week in the Primary School! Year 3 and 4 look like they had a wonderful trip up the mountain as part of their Maps topic – I'm very happy to hear that it wasn't too soggy up there! Today we took part in Pudsey Day for Children in Need. Thank you very much for all your donations, the school looks especially bright today with everyone wearing yellow. We are very much looking forward to soaking the teachers for charity at lunchtime – I bet everyone has been working on their aim in PE this week!

In Year 1 and 2 we have been creating timelines for the Great Fire of London. We also finished the week of by coffee/tea staining paper so we have authentic paper to write on for our 1666 diary entries - the classroom still smells like a coffee shop – yum!

We hope you all have a fantastic weekend and we look forward to see you all on Monday 😊
Miss Collard

I would like to say a huge THANK YOU on behalf of the whole Primary School to Jay and Charlie Pledger, who gave up their time to come up to school and fix our bikes on the EYFS/KS1 Playground. I know the children will be delighted and we are extremely grateful for your help. They both clearly got the memo about Pudsey day!!

Just a reminder that next week Primary Parent/Teacher Meetings will be on **Tuesday 17th and Wednesday 18th November between 15:10 and 18:30**. If you haven't booked a time slot yet then please contact the school office/your child's teacher. We look forward to discussing how your children have settled into their new year groups.

Mock Exams - Yr 11

16th – 27th Nov 2020 - Good luck with your revision!
