Hello Everyone!

Term 2A has got off to a great but busy start. The students have loved being back at school and have all been engaged in their lessons/activities when I have popped in to visit them. A big thank you to our staff who have gone the extra mile to cover and set work for their classes. As always the students themselves have been fantastic.

We are looking forward to welcoming our colleagues (both old and new) into school next week along with our students who are completing their period of isolation and our Nursery cohort who have had an extra week of holiday.

Acting Head teacher

Children's Mental Health Week

This year Children's Mental Health week will be held from 1st – 7th February with the theme of "Express Yourself". Work has already begun in preparation for this. Thank you to Hannah (Social worker) for collaborating with us on this. Watch this space to find out more about what we are doing.

Personal, Social, Health and Economic Education

Thanks are extended to Sgt Cyndi Corney and Hannah (Social Worker) for coming in and talking to Years 10 & 11 as part of their PSHE curriculum. It is our aim to build links with the wider community and provide more opportunities like this to enrich the learning experiences for our students.

Examinations June 2021 Series

Once again it is that time of the year when we start the countdown to the IGCSE examination period. Fortunately for our students here at TBS learning has continued as normal and we have been lucky not to have been affected by COVID. This is far from the experience of blended learning and/or online learning for many students worldwide. This means our current Year 11 students will get to sit their exams as scheduled in May/June. We are therefore keen to recruit a bank of suitable candidates to invigilate these exams. If this is something you are interested in, please get in touch with the school to register your interest.

Term Dates

Included is a copy of our most recent term dates.

"Year 3 and 4 had a surprise visit from some Ancient Maya this week!

...but then we realised it was our classmates sharing their amazing homework. Fantastic job folks! Keep it up!"

We are looking to recruit Exam Invigilators who are able to work on an as and when required basis for Exams due to be held in May/June. Training will be given and duties will include the supervision of tests and in some cases reading/scribing for individual students, ensuring guidelines/regulations are strictly adhered to. This is a paid position and applicants will also need to have a valid DBS check. For further information or if you are interested please call the School Office on 64432 or email: Denise.John@tbschool.edu.ac or Mrs Tania Maggott, Acting Head teacher Tania.Maggott@tbschool.edu.ac
