Hello Everyone

Happy New Year to you all!

I trust that all the students are enjoying their extended Christmas break. School will open on Monday 18th January 2021 and we look forward to welcoming you all back to start term 2A. At this time there will be seven teachers in isolation so whilst we are open for Reception through to Year 6 students, this will only be for the morning sessions (8.30 – 12.30) for week 1. Sincere apologies that this was not made clear in the newsletter sent out before the Christmas break. All secondary students are expected to attend for the full days. We will try to continue with normal timetabled lessons as far as possible especially for our Year 11; however there will be some cover and doubling up of classes until we are back to full staff. From Monday 25th January school will open as normal and therefore along with the secondary students, all primary students including the nursery will be required to attend.

Reminder also that Friday 29th January is an INSET day so school will be closed for all students.

In keeping with the New Year and new beginnings, the school has a new leadership structure. Mr Adam England is the New Head teacher and we are all looking forward to his arrival later in the year. In the meantime as the new Deputy Head teacher I will take on the role as interim Head teacher. I would personally like to thank Ms Yon for her help and support and for filling in as Acting Head teacher for terms 1A & 1B. I look forward to working with you all to ensure that the students at TBS receive a first class education which is no less than what they deserve. My door is always open and please do not hesitate to get in touch if you have any questions and queries.

Acting Head teacher

Our Year 11 students have been hard at work on Wednesday's completing coursework for their upcoming IGCSE's in June this year. They are to be commended for turning up to every session. Here they share their hopes for 2021.

I would like for COVID-19 to pass, so that I get to sit actual exams and achieve the best possible grades to improve my life chances and get a good job that I will enjoy.

Kelis

I would like an effective vaccine for covid-19 to ensure I get to sit my exams.
