Here are the real superheroes!

We cannot forget our very own superheroes at Two Boats School. We think they are the best superheroes of all!
EYFS would like to thank the Hospital, Wolf Creek Fire Department and the Georgetown Police Department for our fantastic visits.
Well that's it folks. Another exciting topic completed in EYFS and as always we had lots of fun! Until next time...
Mrs Roberts, Mrs Grey, Ms Winnie and all the children.

Hello from EYFS!

We have been very busy in our setting learning all about Superheroes...not the Spiderman or Batman kind of superheroes but looking at other superheroes such as ourselves, our families and the 'real' superheroes in our community.

We chose what kind of superheroes we would like to be...

Zoe is Fire Superhero!	Carla is Ice Superhero!	Kenzo is X-ray Superhero!	Douglas is Fire Superhero!	Harper is Ice Superhero!
------------------------	-------------------------	---------------------------	----------------------------	--------------------------

Drake is Strong Superhero!	Riyaaz is Fire Superhero!	Amber is Invisible Superhero!	Lincoln is Ice Superhero!	Kenzie is Earth Superhero!
----------------------------	---------------------------	-------------------------------	---------------------------	----------------------------

We asked the Nursery children why their Mum's and Dads and superheroes...here are their thoughts!

Kenzie said, "My mummy cooks my dinner and my daddy plays with me."

Lincoln said, "My daddy is strong and my mummy sleeps with me."

Riyaaz said, "I love my mummy and daddy. My mummy looks after me and my daddy reads to me."

Amber said, "My Papa plays with me and my mummy reads with me."

Drake said, "My mummy and daddy reads to me."
