# Newsletter

Friday 9<sup>th</sup> April 2021

Hello Everyone,

Welcome to this weeks edition of our Newsletter. It has been two short weeks since our last one. As usual there has been lots happening.

Parents evenings were held for our primary parents/carers. Once again there was 100% attendance at these. Thank you to all parents/carers for your continued support. EYFS and Keystage 1 held their annual Splash Gala which went really well. Well done to all the staff and students for organising and taking part in this. We now look forward to our annual Swim Gala on Friday 16<sup>th</sup> April.

Today we extend a very warm welcome to our two new students, Sune' in Year 6 and Surene in Year 8. We hope they settle in well and enjoy their time here with us.

That's all for now!

Mrs Maggott

In a **French culture lesson**, Year 8 gave presentations on famous French sports personalities. Every project was presented well with plenty of interesting follow up questions and discussions. We saw a mix of professions including male footballers, a female football freestyler, a female tennis player and a male wrestler. As a grown up I had already heard of all of these sports men and women, but I still ended up learning something new about every one of them. Well done Year 8!

Mrs Crowie

## Swimming Gala

This annual event will take place at Travellers Pool on Friday 16<sup>th</sup> April 2021 @ 9am. We look forward to parents supporting students on this occasion by wearing House colours.

## Year 7 Parents Evening

This will take place in the Hall on Thursday 6<sup>th</sup> May at 4.30pm by appointment, to discuss student progress. Appointment sheets will be issued on Tuesday 4<sup>th</sup> May 2021.

## Year 9 Options Evening

This will be held on Wednesday 12<sup>th</sup> May 2021. Year 9 students and parents will be invited to attend to have an insight into the courses we have to offer Year 9 for their KS4 IGCSE studies. The session will commence at 6pm and all are asked to assemble in the Maths room.

## Uniform Shirts

We would be grateful if those parents who have not already done so could kindly arrange payment for their uniform shirts as soon as possible, we hope to get this order off soon, thank you.

## Student Council

As the main bulk of exams are fast approaching, yesterday we held our last Student Council meeting under the leadership of our Head Boy and Girl. They have both done a smashing job and organised for a lot of the issues raised to be addressed. For example: revamping the goals and fitting new nets; rearranging the lockers in the secondary school in class order; updating the Student Council Notice Board; promoting school rules and dress code; taking care of the school environment.

For Term 3, leadership now passes to Owen our Year 10 Rep. In any school student voice is very important so on behalf of the students and the staff a very big thank you to Kelis and Cain who are both now working towards their IGCSE's.

## we ♥ plants

A few weeks ago Year 1 and 2 were lucky enough to be able to go and visit the Hydroponics at the US Base as part of our Science topic 'Growing Things'. We learnt all about the difference things we can grow on Ascension. We saw watermelon, herbs, lettuces, tomatoes and huge cucumber plants! We even got to try some okra which some of us absolutely loved! We learnt so much and we had some amazing questions. CJ, the Hydroponics manager, was absolutely fantastic and made us feel super special. Miss Collard was in her element – surrounded by all the fruit and veg!! We couldn't stop talking about our trip to anyone that would listen. We can't wait to go back again soon!! – Miss Collard, Charlie and Winnie!

## Splash Gala

On Thursday 6<sup>th</sup> of April, EYFS and KS1 held their annual Splash Gala at Two Boats Pool! The children pencil jumped, floated, and swam underwater and across the water in a fabulous display of aqua athleticism as parents watched and cheered. This morning in assembly, we presented certificates to the children who won their events and we celebrated their hard work and determination.

Thank you to Sean and Marina Burns who decided on the winners last week, and thanks also to Christiane who has been our lifeguard all term. Well done to all of the children – and keep swimming! Mr Britten
