Hello Everyone,

It's the end of another busy week. Year 11 are in the middle of their exam session and no doubt counting down the days until they leave. Thank you to all our invigilators and readers.

This week we also said goodbye to a number of students (Ewan & Bill, Shay-Lyn, Sune' & Serene) who have all returned back home. We wish them all well.

Staff have been busy with online CPD updating and renewing their safeguarding knowledge, First Aid, Fire Safety and supporting mental health and well-being of children and young people, to name a few. This is an ongoing part of our CPD which will be renewed on a yearly basis to ensure all staff is in line with current guidelines.

In addition, huge congratulations are extended to Mrs Clare Grey who has successfully passed her Level 3 Counselling course. Well done Clare, I am sure you will put your newly gained skills to good use in the future.

That's it for this week. Enjoy the long weekend and the ADF.

On Wednesday, the children of Year 5/6 visited the Court House to meet with some members of the Island Council. The children had written letters about Two Boats Playground and their concerns over the state of the equipment, and the safety of children playing there. They asked good questions of the Councillors and received good answers, which helped them understand how decision making happens on Ascension. It was a great experience linked to democracy and teamwork – thanks to the Councillors and Siobhan for giving up their time for us!
