Hello Everyone,

Time seems to be flying by and we are at the end of another busy week.

Its been bit of a sad week as we said goodbye to Mrs Grey Yesterday. Mrs Grey has been here for 14 years and has been a dedicated and committed member of the team. This was evident from the number of cards and gifts she received.

All of us at the school wishes Mrs Grey the best of luck and all good wishes for the future.

Mrs Maggott
Head teacher

We would like to make an amendment under the Ascension Day Fair Prizes in last week's Newsletter, and apologize for the error. It should read as follows: **The Ascension Day Fair Prizes (vouchers from A&Ps Gift World, Treasure & Boys 2 Men) were kindly donated by AIG. Thank you to Ms Carolyn Yon for also donating a prize.**

Hello from Year 5/6!

It's been a busy week as ever in our class – we hope that we can give you an idea of what we've been getting up to!

Year 6 have been preparing for their end of year exams. We have been using past papers to get ready. Some questions have been easy, but some have been really tricky!

18 This is a diagram of a vegetable garden. It shows the fractions of the garden planted with potatoes and cabbages.

potatoes $\frac{2}{3}$	cabbages $\frac{1}{4}$
carrots	

Not to scale

The remaining area is planted with carrots.

What fraction of the garden is planted with carrots?

Show your method

What are the coordinates of the missing vertex?

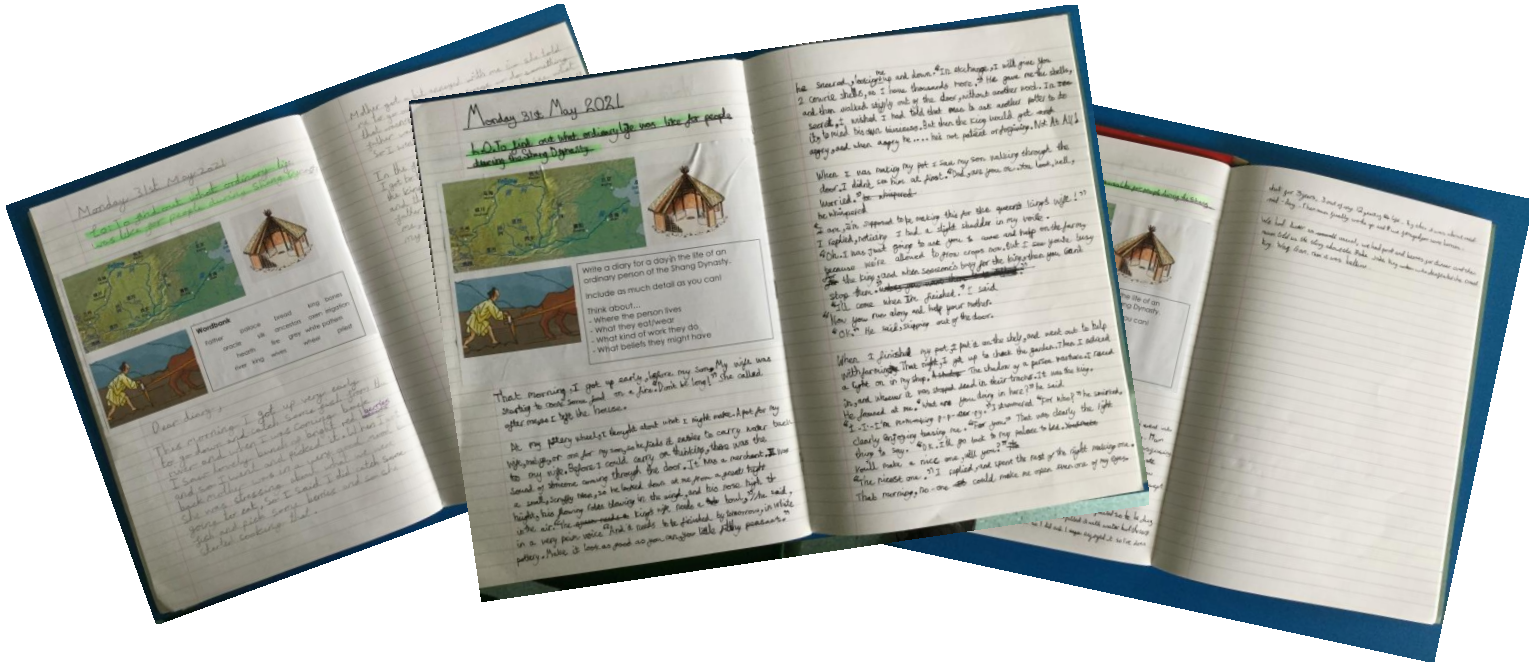

(,)

2 marks

In English, we have been reading *The Unforgotten Coat*, a story about two Mongolian refugees who try to adjust to life in Liverpool. It's a really sad book, but it has some very important themes that have sparked great conversation.

Here we are writing a version of the story, from the perspective of one of the boys in the story, Chingis.

We are learning about the Shang Dynasty in History. This ancient Chinese empire is the first there are records for, and it existed from 1600 BC – 1000 BC – that's over 3,500 years ago! We wrote diary entries on Monday – these are by Cohen, Rosie and Aisja.

Getting ready for World Ocean's Day on 8th June! Looking forward to our trip next week!

Of course we said goodbye to Mrs Grey this week. Mrs Grey taught some of the children of Year 5 and 6 when they were in Reception, so it has been sad saying goodbye. However, it was a chance to find photos of the children for her card when they were much younger! Have a great weekend 😊

Mr Britten and Year 5/6

Come join our Cabaret!

(Please note as this is a school event only non-alcoholic drinks can be consumed, thank you!)

Friday 18th June Cabaret Night

Bring & Share 7pm

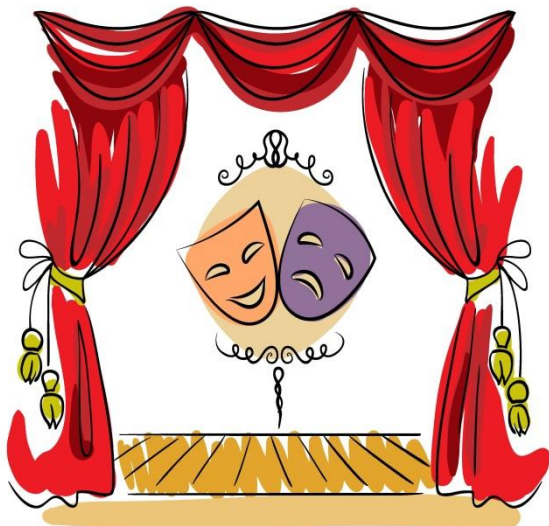

Show starts 7.30pm

All welcome

Entrance by Donation

Music Dance Singing

Drama Club Sketch

Raffle

£1 per ticket on the night

PLEASE BRING A DISH TO SHARE AND YOUR OWN NON-ALCOHOLIC DRINKS!

The audience will be sitting around tables to watch the performance.

PLEASE NOTE not all children are taking part, only those who volunteered! We would like to encourage you and your children to come along and support those who are performing.

The cabaret is expected to finish around 9pm.

All money collected on the night will go to school funds.

Marine Protected Area Youth Group

Today we welcomed the Conservation Marine team to our assembly to promote **World Oceans Day** held on 8th June each year.

The theme this year is:

The Ocean: Life and Livelihoods - exploring how the world's oceans support millions of lives across the world.

Year 7 and The Marine Protection Area (MPA) Youth Group, along with the Conservation Marine Team, talked about the importance of the Oceans and the work they are doing to help safeguard the pristine marine environment around Ascension for future generations.

Thank you to Miss Austwick and the Conservation Marine Team for their contribution today!
