Friday 5th November 2021

Hello Everyone

The first week of Term 1B is over and we are fast approaching the Christmas period. Details of what is planned will be sent out shortly.

Please note in your diary Tuesday 7th December the evening for the Nativity which will feature EYFS and Key Stage 1.

Here is an update of things that have happened at the end of Term 1A.

Harvest Assembly on Friday 22nd October. As usual there were lots of parents who came to see their children take part in our assembly. It was also lovely to welcome Father Ernest to this assembly and to help us give thanks for the food we are lucky enough to have here on Ascension.

The contributions of fresh fruit, vegetables and bread donated for our harvest table was much appreciated. Parents, students and staff also out did themselves with the contributions for the bring and share lunch, so thank you to you all too.

Our annual **Sports Day** was held on Sunday 24th October and what a great occasion it was. It is always lovely to see the team spirit amongst the houses and the support given to the students by the parents cheering them on. Having witnessed a number of sports days over the years in my career, none have felt as special as TBS sports days. The organisation and preparation for this takes lots of time and effort. Thank you to Mr Duncan and his PE team and as I said on the day thanks are also extended to all those who helped and supported us in any way with this.

A great big well done and many congratulations to CRONKS the winning team this year!

Friday 12th November is Children in Need day, as usual this will be a non-uniform day for a donation that will go to the charity.

On a final note I would just like to inform you that since the start of the new school year we

Today we held our first Pastoral and Celebration assembly. Mr Duncan led the first part of the assembly sharing with the school the importance of friendship. Our Star of the Term (1A) certificate was then presented by Father Ernest who was invited to this assembly. This was followed by the House Point cup being awarded to DAMPIERS for having the highest House Point total for Term 1A.

Well done to all the students achieving awards today. To the rest of the students: make it your mission to be in the line-up for next term.

Updates on what's happening next week:

Monday 8 November – Hayley will be in to administer nasal flu vaccines to the Nursery and Primary students. Those students who are 12 years and over are eligible for the injection if they are high risk e.g. frequent chest infections and parents should contact the hospital to arrange for the vaccine.

Tuesday 9th and Wednesday 10th November Rob the Dentist will be in for his routine dental checks with the students in the mornings. As is normal practice you will be contacted by Rob if there are any problems. Some of our students will also be seen by the Educational Psychologist (Carolyn Kewn) this week. If your child is involved you will have received a letter about it. We will keep you informed with the outcome of these visits.

have been working hard on student welfare and safeguarding and have reviewed our policies, procedures and roles and responsibilities. As in any school the safety and well-being of all our students is our number one priority. If you have any questions, queries or concerns then please do get in contact with us here at school. Our doors are always open.

That's it for now.
Mrs Maggott
