Friday 13th May 2022

Hello Everyone,

It seems that the weeks are flying by, how can it be Friday again already?

This week we hear from our youngest students. EYFS will share with you what they have been up to so far this term.

By the time you read this Mr Duncan will be on his way to the UK for medical treatment. Mr Duncan has set work for his classes which are being covered by staff here at the school. I am sure that you will all join me in wishing Mr Duncan well. Fingers crossed he will return back to us soon.

Year 6 can breathe a sigh of relief as they have completed their SAT'S this week. It will be Year 2's turn in a fortnight. I am sure you will hear how your child has done in the coming weeks. Year 11 are flying through their exams with the end almost in sight.

Please can any outstanding payments for the new school hoodies be paid as soon as possible. You can contact Natasha at the school if you have any issues regarding these payments. Also if you have any outstanding book vouchers that were awarded to students these must be redeemed by May 31<sup>st</sup>. We are finding it very difficult to keep track of monies and the budget when we are receiving orders at all different times.

We do apologise for this and any subsequent vouchers awarded will have an expiration date on them.

So until next week, that's it for now.

Mrs Maggott

Head Teacher

**Meet Miss Wilson**

Hello everyone,

My name is Georgina Wilson and I am the new secondary Humanities teacher. I teach History, Geography and RE. I have been teaching for 2 years and really enjoy sharing my passion for History and Geography with my students. I am a keen sportswoman, having trained in Badminton and Kung Fu in the UK 5 nights a week for many years, and I have really enjoyed the opportunity to teach Kung Fu to the Students and local community here on the Island. I hope to organise a Badminton club soon also. As a Geographer by training, the offer to come and live and work on a volcanic island with so much character was an opportunity I could not pass up. While it was daunting moving so far from the UK, away from my family and friends, I have not regretted my decision at all and love the new life I have made here. Everyone is so friendly and welcoming and I cannot wait to explore more of the Island over the coming months.

See you all soon!  
Miss Wilson

## Hello from EYFS!

We have been very busy learning about dinosaurs this term. We would like to share some of our work with you.

The Nursery children chose their favourite dinosaurs and used adjectives to describe them. They also collaged dinosaurs using natural materials.

It has a bone crest  
on his head.  
m. l. h. a. n. b. e. v.

He has a long neck.  
m. l. o. u.

It has 3 horns.  
m. j. e. e. o. y. h.

He can run very  
fast.  
m. h. a. e.

He has spots on  
his body.  
m. a. b. p.

He has stripes on his body.  
pauka

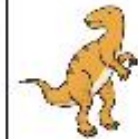

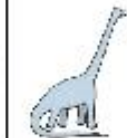

It has a long neck.  
ma nee

He swims in the water.  
paukea

The Reception children painted their favourite dinosaurs.

Lastly, the Reception children have been revisiting Addition again this week but using Addition Stories and the 'first', 'then' and 'now' strategy. They have been working very hard with lots of harder challenges to have a go at too!

First	Then	Now
