Hello Everyone,

This week we welcomed new student Tiarna Young into Year 4. We hope that Tiarna settles in and enjoys her time here with us. Kia Benjamin also joined the EYFS class this week. Kia is a temporary student here with us until the next flight to St Helena, I am sure that Kia will enjoy his short time here with us.

Also joining the team here at TBS is Miss Kaylee Young, who started on Monday as a Higher Level Teaching Assistant (HLTA). Kaylee has hit the ground running and has got stuck into the Primary school. Welcome to the team Kaylee and I am sure you will be an asset to the team.

You will hear from Kaylee in the coming weeks.

I am pleased to introduce you to our newly formed student council and House captains. Student leadership and voice are an important part of TBS and I looking forward to working with both teams in the coming months.

Visit to TBS

In our assembly this morning Lorna, Toby and three members of the Zoological Society of London team spoke to our students about their work with the South Atlantic Plastics Project. They spoke about some of the work they are doing and encouraged all of us to think about what we can do to protect our

environment and reduce our plastic pollution. Thank You for coming in to visit us.

Reminders

Please could I ask that you let school know if you are going on overseas leave for Christmas. This is so we can start our planning for the Christmas activities.

Our Annual Harvest Assembly will be on Friday 21st October at 11.30am. This will be followed by our usual bring and share lunch and then school will finish for the half term holidays.

That's it for now.

Mrs Maggott
Head Teacher

Fire Prevention Week

Mr Colin Lawrence and the team from the US base gave up their time on Thursday afternoon to come in and speak to our students about Fire Safety. In addition to the important Fire safety messages there were some fun activities. The students all had a great afternoon. I am not sure that the teachers who were sponged would agree.

Thank you so much for giving up your time, it is very much appreciated.

FIRE PREVENTION DAY AT SCHOOL

Hello from year 9!

Here is what we have enjoyed the most about school so far this year:

My favourite thing I have done in school this year so far is DT because we are making storage boxes.
Jaylen

I like Science, writing gothic literature in English, and the box project in DT.
Jada

I am looking forward to going on a school trip and also to cheerleading at Sports Day.
Jordan

DT is my favourite subject in Year 9. We are making storage boxes which is fun. I also like ICT because we are learning how to make web pages.
Lucas

I am really enjoying science because we did an experiment to make cement with different properties and tested it to see which was the strongest.
Wyatt

So far in year 9 I have enjoyed ICT and DT.
Zayla

In year 9 I have enjoyed art because I love to draw and I am also enjoying English. We are learning about gothic literature and I like to scare the life out of people with scary stories!
Leanna

I have enjoyed making my storage box in DT and I am looking forward to going on a school trip.
Rhian

DT, French and HE are my favourite subjects. I love DT because I can make things with my hands. I love French because then if I go to France I will know how to speak to people. I love HE because I like eating.

This is us in English. We had a debate about which of the two characters was the most villainous: the woman in Robert Browning's poem 'The Laboratory' or the narrator in Edgar Allen Poe's story 'The Tell-Tale Heart'.

Reminder: Annual Beach Clean Saturday 22nd October

We came up with some fantastic points and backed up our opinions with quotations from the texts. Everyone got really into it and enjoyed arguing for their ideas!

It was a close call, but the girls' team narrowly pipped the boys to the post to win the debate.
