Friday 17th March 2023

Hello Everyone,

What a wet and dark Friday it is today! We have a few puddles about and our playgrounds are very wet but so far our teaching spaces are water free and lessons are progressing as normal. Thank you to the team at AIG for the advanced sandbag delivery, which meant we were prepared and prevented water from entering classrooms.

On Tuesday we ran a lunch time club for the Primary Students to coincide with British Science Week. It was a fantastic session and the students really enjoyed it. Thank you to the Secondary students who helped out and Miss Henry for all your support too.

## Thank you

Yesterday we had a lovely surprise of some fresh fruit delivered to us here at school for the students. From all of us here at School a very big Thank you to Sgt Ian Mark (Bear) and Mailyn for thinking of the children. They were extremely grateful.

## Goodbye

Today we say goodbye to Aaliyah Peters one of our Year 7 students. Aaliyah is moving back to St Helena this weekend and will attend Prince Andrew School. From all of us here at TBS best wishes, we hope you settle in quickly and please do keep in touch.

## Naafi Lunches

These are going well. Please send orders and money in by 8.30am on Tuesday for lunch on Wednesday 22<sup>nd</sup> March. Moving forward on a trial run basis and following some feedback from the students NAAFI has offered the following options on the following days for week beginning 27<sup>th</sup> March.

If you wish to place an order on the **individual days** please send in with the correct money by:

**8.30am on Fridays for lunch on Mondays.**

**8.30am on Tuesdays for lunch on Wednesdays.**

**8.30am on Thursdays for lunch on Fridays.**

Friday 17th March 2023

I have been at Two Boats School since Year 1, I did originally go to Saint Pauls Primary school in St. Helena, and in all honesty I did prefer my old school to here, since I was born on St Helena but also I felt like over the years at Two Boats School I have seen a huge change in teachers and students, good and bad, but this school has been a huge part of my life.

I have basically been in this school my whole life (except for 4 years which I spent in the Falklands) and I have enjoyed this school.

I have been attending Two Boats School my whole life with only a small experience of another school when I was 9. I have felt myself progressed over the years and I am now preparing for the final part of my journey - My Exams! This school has a lot of potential in helping children get their further education although I would've liked to have experienced different schools.

Although I have only been at this school for almost 2 years I am proud to say that my grades have progressed substantially. I have made many good friends and have learnt a lot. When I first arrived here, having grown up in a different school system, I was able to adjust quite well. For about a year I have also been using the school's music room to teach myself how to play guitar. I have also enjoyed being a part of the YMPA group - which conservation runs through the school.

I joined this school in Year 7 and I really missed my old school, however I settled in pretty well and now I am preparing for my final test in School life.

**A final message from our Year 11 students.  
We wish them luck in their up and coming IGCSE exams &  
for the future!**
