Newsletter

Thursday 18th May 2023

Hello Everyone,

The end of a four day week as Friday is a holiday in lieu of Ascension Day.

Thank you to the Parents and students, who attended the Options evening this week.

It was an informative and productive evening and I hope all students are looking forward to the starting their GCSE studies.

On Tuesday we took delivery of a gazebo kindly donated to us by Fluor. It was quite a job getting it in situ but with a bit of teamwork from (Fluor staff, Damon and Jermaine AIG) it was mission accomplished. The gazebo provides some much needed shade for the students at break and lunch times. So from all of us thank you so much for the gazebo, paint and whiteboards donated to us. It is very much appreciated.

On Wednesday the EYFS went on a trip to the Turtle Ponds as part of their under the sea topic, I will leave it to them to tell you all about it. Thank you to Lorna and the Conservation team for their support at this trip and to Tash for your lifeguard support.

House point winners this week are: Cronks

Top students of the week:

Primary: Sydney Arms-Lawrence

Secondary: Dane Snell

Congratulations and well done!

Today Mr Duncan took the Year 7 and 8 Students to town to attend the 10 year Ascension Island Flag anniversary. These students would only have been about 3 years old (if they were here on the island) first time round.

As we move towards the end of this academic year can I please ask that you let us know if you are going on overseas leave before school finishes on 28th July. This is so we can plan our end of year activities.

Also don't forget to register your child for the Summer school activities if this is something you would like them to take part in.

Naafi Lunches

Naafi Lunches will continue only on Wednesdays and Fridays. New menus are attached commencing next week **Wednesday 31st May**. Please can orders be sent in with correct money the day before the lunch is required. Thank you to Colin and his team for continuing to provide this service.

Finally enjoy the long weekend,

Tania Maggott
Head Teacher

A BIG hello from EYFS!

We have been very busy at TBS and this half-term our topic is Under the Sea. So far we have learnt about the fish around our Island and talked about our MPA too! We did not like hearing about how our oceans are being polluted with rubbish - this made us very sad. We went to the Turtle Ponds and Lorna and Toby from Conservation came along and talked about what we can find in our rock pools around Ascension. It was very interesting and we had lots of fun.

We received a letter from Rainbow Fish. He needed our help! He wasn't feeling well and his beautiful scales had all turned white. He wanted us to give him his colourful scales back.

In Literacy, the Reception children have been learning about some of the features of a story - story sequences, settings and characters. They have been trying very hard to use their phonic knowledge to write sentences. So to you it won't look correct but for them, this is how they spell words using their phonics. We are very proud of them!

We read a book called A Place for Plastic. It was a brilliant story and it taught us how our oceans are being polluted and how dangerous it is for our sea creatures.

Last week we visited the Turtle Ponds and Lorna and Toby showed us what creatures live amongst the rock pools here on our beautiful Island. We had fun hunting for sea creatures in the Turtle Ponds too. Thank you Lorna and Toby, we had a fantastic time.

To end our visit to the Turtle Ponds and learning about the fish around our Island, we were very lucky to taste some of the fish that we catch to cook and eat. We had boned eel, grouper and wahoo in batter. We had our preferences but we all had a try at tasting it.

School Meal Offer Wednesday

1. C&M (Chicken & Mayo) Baguette, Drink, Packet of crisps - £4.00
2. Tuna Mayo Baguette, Drink, Packet of crisps - £4.00
