Hello Everyone,

The end of the first week of this final half term is here. I hope that all staff and students have had a restful break and a good first week back.

For me it has been an interesting and informative couple of weeks here in St Helena. I have spent time in all three of the Primary schools, meeting with the Head Teachers and visiting staff and students in lessons. I have also had the opportunity to teach some Science lessons to Years 5 and Years 6. It has been productive to have other Heads to talk too and this exposure time has provided me with the opportunity for networking and building links.

I owe a big thank you to all three Head Teachers, their staff and students for welcoming me into their schools. It has been an absolute pleasure.

After a ten week half term I am so ready for the holiday week next week. Hopefully the sun will come out for some of it.

House Points:

Winning the house cup this week with a total of 130 points is Elliots.

Top students:

Primary- Meeah Ellick
Secondary- Dane & Cohen Snell

Congratulations and well done!

We also held our usual star of the term assembly today. The final one for this year.

Well done to all the winners.

Assessments

As is normal in any school our students are all working towards their end of year assessments.

Year 1 have completed their phonics screening this week with some very pleasing results.

Next week we have our KS2 SAT's tests as well as End of Year tests in all subjects for the secondary students. We know that this can be a very stressful time for students, but I am confident that you will give them the extra support and encouragement they might need and that they will all try their best.

Good luck to you all!

End of school year reports will follow after all assessments have been completed

Reminders

Please don't forget to register interest for your child/ren to take part in the Summer School.

If there are any outstanding monies for school uniforms, we would be very grateful if you could send this in to Mrs Tash at your earliest convenience. Thank you.

That's it for this week!

Mrs Maggott
Head Teacher

YEAR 3/4

LAST TERM YEAR 3/4 COMPLETED THEIR STUDY OF THE ROMANS IN THE UK. WE LOOKED AT THE ROMAN ARMY, ROMAN TOWNS AND EVEN ROMAN TOILETS! WE MADE ROMAN SHIELDS & PORTRAITS OF BOUDICCA LEADING HER REBELLION. WE ALSO MADE A REPLICA ROMAN TOWN WITH GATES, OUT OF PAPER!

Key Stage 2

Golden Time Is Precious!

After a very busy week, Key Stage 2 love to spend the last hour of a Friday afternoon choosing their own activities to enjoy and support them with unwinding for the weekend ahead. Here are a few snippets of their friendship groups and what they choose to get up to.

Last half-term EYFS did an amazing topic on 'Under the Sea' and to end our topic we became pirates for a day! It started with Mrs. Tash delivering a message in the bottle from Captain Jack Sparrow. It read...

"Ahoy me hearties! I have buried me treasure in your school and I would like you to follow me clues on the map to X marks the spot!"

We had fun following the map and finding the clues. Eventually, after lots of digging we found the treasure buried in the Middle School's sand pit (with a little help from Mr Arnold!) There were sparkling jewels and golden coins!
