Hello Everyone,

The penultimate week is here and we are all looking forward to the end of school year next week.

This week the Secondary students have been out and about on the first of their two week enrichment programme. Thank you to the staff, PTA and companies for your help and support. Here's to next week when the Primary school will also be on their enrichment programme week too.

Sadly we had to postpone our school production. This was very disappointing but the right decision to make given the circumstances. The students have worked hard but because of the number of children off ill over the last month or so they were just not ready. We will schedule a new date in the new school year.

Thank you to all those who have registered for the Summer School, you will receive more information next week.

Secondary school end of year reports are out today. We hope you find these informative. Please do get in touch if you would like an optional consultation on Tuesday 25th July.

Congratulations to Miss Crowie our HLTA who has successfully achieved her Level 4 International certificate in teaching and learning with distinction. Miss Crowie started this during her teacher training period in St Helena. Miss Crowie will be working to gain her local teacher status next year. From all of us here at TBS, good luck!

House Points:

Winners this week are Elliots with a total of 28 points:

Top students:

Primary (Bottom Left) – Peyton Lawrence-Fuller

Secondary (Bottom Right) – Zayla Henry

Well done all!

Today we also held our non-uniform reward day for the house with the most house points for the year. Well done Cronks!

The second phase of the painting programme is to start soon. This will be carried out by Concept once again and will involve the internal and external of the Primary school being redecorated. Most of the work will be completed during the school holidays.

Year 10 Work Experience:

Thank you to all the employers and staff who have been looking after our Year 10. Below is just a snapshot of what they have been up to in their first week!

A reminder that our end of year awards assembly will take place on Friday 28th July at 11.30am and school will finish for all students at 12.30. We will return for the new school year Wednesday 6th September 2023.

That's it for this week!

Key stage 3 (year 7 to 9) would like to give a BIG shout out to some members of the community that have helped in their Activity weeks, this week's theme was survival:

- Kelly Leo, who showed the students how to set up a photo shoot and took some stunning photos. Students had the opportunity to edit these and print out as souvenirs. Photo safety online

No Motivation and Fast and Furious

- Paul Bennett and Scott George down in Ariane station for a day all about rockets.

- PC Kevin Potts for the court room drama and for letting them all out of jail at the end.

- Dennis Francis for the loan of various Scouting equipment that enabled some of our activities to happen on Survival day and water sports day.
