Hello Everyone,

That's it, it's a wrap! The end of the school year.

On Thursday this week the Primary school had their outing to Long Beach. What a fun day it was. In house teams they did a treasure hunt to collect clues to break the code and release the treasure. Well done to Elliot house who were the winners.

There were other house activities and sand play too.

Friday we held our end of year awards assembly and it was a fitting end to the school year. Well done to all those receiving awards and thank you to the companies and PTA for funding the awards. We said our final goodbyes to our Year 11, Mr Gill, Miss King and Ms Yon. From all of us at TBS, best wishes for the future.

During the school holidays there will be lots going on at school with the painting and drainage projects taking place.

To all staff and students, enjoy the holidays, relax and recharge. See you all in September. We will have 2 INSET days on 4<sup>th</sup> and 5<sup>th</sup> and school will start for students on 6<sup>th</sup> September.

That's it for this year!

Tania Maggott  
Head Teacher

The Secondary school continued their enrichment activities which you can read all about further on.

## Secondary Activity Week 2

Key stage 3 (year 7 to 9) would like to give a BIG shout out to some members of the community that have helped in their Activity weeks, this week's themes were team work and creativity:

Monday saw the students working in teams with an assortment of unusual races. Who knew a pile of clothes could be so much fun!

On Tuesday the students created t-shirt designs and made some food to be enjoyed by all in our Mad Hatter's tea party that saw the revival of some old fashioned games, like bobbing apples.

On Wednesday we were joined by Conservation up Green Mountain to see the shades and complete Elliot's walk. Thank you Miss Henry for the Plo.
