Hello Everyone,

It's a short one this week. I hope that everyone enjoys the holiday tomorrow!

Thank you to Mrs Pitt for delivering the phonics workshop on Wednesday evening. This was a very well attended session with nearly 30 parents turning up to learn about the Read, Write Inc Phonics Scheme and how it progresses from Reception to Year 2 to support student reading and writing.

As outlined by Mrs Pitt you as parents will notice some small changes to the reading books that your children bring home.

Thank you to all those who turned up and as always if you have any questions please do get in touch.

ANTI-BULLYING WEEK 2023 MAKE A **NOISE** ABOUT BULLYING

Happy Anti-Bullying week from Two Boats School!! It has been a week filled with lots of discussions and activities around how to support each other and stop bullying. We are a Bully Free Zone and as a school we encourage you not to be a bystander (I am sure the kids can explain what this is to you) and take action!

We kicked off the week with an assembly sharing what we know about bullying and what we can do about it.

Odd Socks Day Monday the 13th!!

We also made some noise...it got very LOUD using musical instruments to show our support for anti-bullying!!!!
