Newsletter

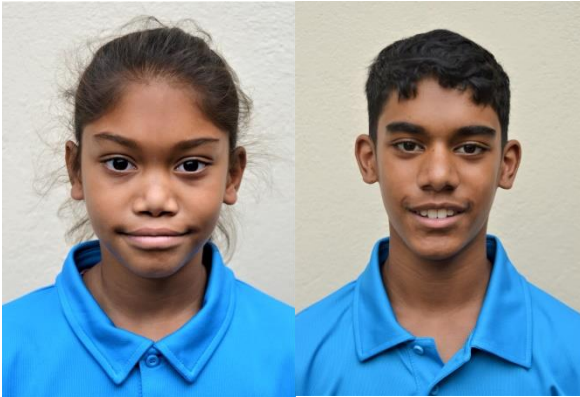

Friday 24th November 2023

Hello Everyone,

This week we introduce you to Eva and Jacob Yon who joined us at the start of October. Sincere apologies to both students for missing you out of our weekly edition back then.

Both students have settled in well to life at TBS and have made many new friends.

Today we say Thank you and goodbye to Ms Debbie who has been here as a temporary TA this last month. It has been a joy having you here with us and I am sure the students you supported will miss you!

We were visited by Hayley from the Hospital this morning for our annual flu sprays and jabs. Thank you Hayley for coming to see us in a bid to keep us protected from the flu!

Report cards for all students in Years 7 – 11 will be out today. Please can you make sure you discuss these with your child/ren and should have any questions about these reports then please do feel free to contact us.

PTA Raffle:

Thank you to all the companies/individuals who have donated prizes to our Christmas raffle and to the PTA members for organising and putting this together. Each child will bring home a raffle sheet with 10 tickets on to sell at £1 a ticket. Please could all raffle sheets be returned to school by Monday 4th December, the draw

will take place during the interval on Thursday 7th December at our Christmas Nativity. Your support with this is much appreciated.

You are all invited to join us for our Christmas Nativity performed by the EYFS and KS1 students at 6.30pm on Thursday 7th December in the School Hall. There will also be a selection of music, song and dance from other students across the school.

We look forward to seeing you there.

House Points

Week ending 17th November:
Cronks 117, Dampiers 101, Elliots 113.

Star of the week: Primary –Peyton Fuller Lawrence, Secondary – Molly Duncan.

(L-R: Dane, Ada, Peyton, Molly)

That's it for this week. December is fast approaching!

Tania Maggott
Head Teacher

Year 5 and 6 Humanities Topic

This week, Year 5 and 6 visited the Museum as part of their Humanities Topic on the History and Geography of Ascension. We would like to thank Mick Hill for showing us around the fort and opening up the Museum for us to spend time looking around and seeing all the exhibits.

What we enjoyed most about our visit to the museum...

Scott-I enjoyed the jeep with the machine gun and the rifle in the museum and the other guns and the helmets in the corner with the army stuff.

Ada-they had a lot of ammunition for WW2 because it was a refill for the English planes I liked the part when we went in the fort and where they stored stuff.

Bernice-The thing that I like about the museum trip is the phones that were very old and big.

Kia-My favourite part of the trip was when we went in an old garage and looked at a green army jeep that had a gun at the back of it. We learned that back in the old days they used it for war. I thought it was a very smart way to win a war.

Madisyn-I enjoyed learning about the Jeep because it had a machine gun on the back from the World War 2.

Logan-My favourite thing from the museum was the jeep because it has a model machine gun mounted on the back. The machine gun and the jeep are from World War 2 which is very fascinating.

Elliana-I liked all of the turtle shells with people's names on and I mostly liked the old jeep with a machine gun on the back and there was ammo too. There were lots of old army stuff.

Myles-My favourite thing down the museum was the nature exhibit which has a giant sea turtle the shell has the American soldiers who died in world war two.

Peyton-I enjoyed learning about the turtle shells. I learned a lot. Did you know that people wrote on these shells to remember those who died in World War 2? These turtle shells were taken off turtles after they had died.

Eva-I enjoyed seeing the painted turtles and the pretty shells. I also saw a donkey's skull and colourful rocks.

I liked the shells because they were so big. I learnt that they found them around Ascension in the olden days. I also liked the space station around the world. I learnt that astronauts sometimes stay in the air forever.
