Hello Everyone,

It's another Friday and a much quieter week here at TBS and already we are half way through this term (2B).

Last week's World Book Day raised a total of £76.59, which will be used to purchase a few new books for our School Library.

On Friday Toby from Conservation came in to our Primary assembly to speak to the students about Turtle tagging and to present them all with a little comic book "The invisible threats to whale sharks" produced by the St Helena National Trust on the dangers of plastic in the Ocean. Thank you Toby!

Star of the week, in Primary - Zoe Peters and in Secondary (for the second week running) -Jacob Yon. Congratulations to you both.

A reminder for the Parents of Year 7 and 10 that Parent Consultation meetings will be held at the school on Tuesday 19th, please do encourage your child to book appointments with their subject teachers. I will also be available should you wish to speak with me about anything.

House Points

The House cup was this week awarded to Cronks with a total of 211 points. Well done Cronks for winning this week with a 79 point lead!

Some upcoming dates to save in your diaries:

Splash Gala (Reception and Years 1 & 2) will take place on Thursday 11th April at 1.30pm Two Boats Pool.

Swim Gala (Years 3 – 11) will take place on Friday 12th April at 9.00am at Travelers Hill Pool.

Welcome to year 9's newsletter. Last week we celebrated not only international women's day but also mother's day and we would like to share with you a little bit about the women who influence us alongside our mothers.

Happy Mother's Day to All!
Even though I often feel that my mum is always round my head and is constantly on my case, it is for my own good.
However...

When I see all the things you do, I can tell your love for me is true. I'm thankful that you were saved for me!

Mothers are the coolest people in the world! You care for us when we're sick. You make time for us when you're tired. You love us throughout our lives.

Here are flowers
For a very special day
Just for you
On Mother's Day
I must have been born
Beneath a lucky star
To have a mother
As nice as you are!

My mum is a cool, funny, caring and selfless person; she cooks and does other things around the house. I wouldn't change one thing about her

My mum is amazing and smart and cool! She would do anything for me as long as I'm telling the truth she is never afraid to say "no"

A famous female inspiration to some is vice president Camila Harris. Camila is the first black woman and the first South Asian American to become Vice President.

Tyla is a normal South African person who ended up a famous singer. She has proved that no matter age, race, background or nationality you can achieve your dreams.

My inspirational person is Rosa Parks, she participated an event that he that helped to change the lives of many others in the world and she sacrificed her life for many other people.

My inspirational female is Zendaya. When I was younger I use to dream about becoming an actress. Zendaya isn't just an actress, she does a lot of charity. She made a sizable donation alongside the Women Donors Network to the theatres North Star Fund. She loves animals and has a sense of humor that brings out her personality. She made me want to become an actress. Ever since I watched Spiderman I wanted to be like her.

My influential woman is Rosa Parks was a Black civil rights activist whose refusal to give up her bus seat to a white man. She is known as the "mother of the freedom movement"
