Hello Everyone,

It is the end of Term 3a and the final day of official schooling for our Year 11 students. Today in assembly they shared with us a snapshot of their time here at TBS and some highlights of their educational journey. Thank you Year 11 and Miss Henry it was a lovely assembly you will be missed by all here at TBS. We look forward to celebrating with you all at your Prom tomorrow evening.

Izzy and Ike were presented with a goodbye gift as they prepare to leave Ascension Island. Best wishes to you both. Good bye was also said to Savannah as she leaves TBS to return back home. All of us here at TBS wishes you all well and hope that you take away with you some lovely memories of your time here at TBS.

Our final goodbye today was said to Rick Lutman a School Governor for the past 6.5 years. Rick has given his time and support on a voluntary basis to the school in many areas at a strategic level. Thank you Rick for your support to the students of TBS, you also will be greatly missed.

## **TBS Kindness Rock Garden**

In an effort to tidy the front of the school, add a bit of colour and a spot of positivity, we have created a rock garden. Today students went out and put in their rocks that they have painted. This is an ongoing project and students can add rocks at any point to the garden.

Thank you to Jada, Jordan and Leeanna for painting the house poles, the rain has hampered us a bit and this still needs to be completed. Thanks also to Mr Duncan for the sign and the Mitie lads for bring the gravel and spreading it out for us.

## **House Points**

Cronks retained the cup this week with a total of 194 points, Well done Cronks!

Stars of the week went to the Akunne brothers: Zacharias in Primary and Matteu in Secondary. Congratulations to both boys!

## **Royal Marines Brass Quintet**

Today we were treated to a musical performance from the above quintet, here on Island all the way from the UK. It was a real treat and the students

## THANKS & GOOD-BYE

Well this day has finally come! Who can believe it that here we are, Year 11 students and about to leave school. What a bittersweet moment this is...on one hand we just couldn't wait for this day to come and now that it's here, we are filled with trepidation, excitement and a little dis-belief that we are about to enter the working world of adults.

To all teachers and staff members of Two Boats School, thanks for supporting us on our educational journey. What a rollercoaster ride it has been...highs, lows, twists and turns but each one a special memory that we will treasure.

I had a great experience here at Two Boats School. I've met many great people over the years.

Probably the loneliest 11 months...however, being in a small school, I had the best academic performance and improvement.

I will always remember my many 'meetings' with the Headteacher in the Headteachers' Office!

It has been fun, painful but rewarding here at TBS. To all my friends, teachers and my parents, thank you for all of your support, especially you Mrs Maggott.

I've been a student here at TBS for 2 years now and I've had a wonderful time. This has been a fascinating journey in a different school.

I will never forget all the laughs we had with the teachers, past and present.

I've loved the experience of growing up on Ascension, learning new things and meeting new people. I'm so grateful for the opportunity to be the Head Student and to hopefully be a good role model to the younger students. I wish everyone good luck for the future.

Thank you for the opportunity to be Deputy Head Student and meeting royalty. This has helped me build my confidence.

*Two Boats School  
What can we say?  
Our time may be up*

*But that's OK.  
Our joys are everlasting  
And so are the friends we made along the way  
Truly sad to be leaving  
School and its lovely attendants today.*

*Sharing our experiences with all of you from  
Childhood right up to this day.  
However, even though we are leaving  
Our memories will forever stay  
Others will surely love  
Learning the Two Boats School way.*
