

Hello Everyone,

It is the end of another week and Christmas has begun here at TBS. This morning in our assembly the students all made Christingles for the annual Christingle service on Sunday 1st December at St Mary's Church. It was lovely to welcome Lay Minister Alan into our Assembly to give us all a little bit of history about how the Christingle came to be and to remind us of what each of the parts represents. We look forward to seeing many of the students at the Church on Sunday at 6.30pm to receive their Christingles.

A reminder that Thursday 5th December there will be a musical performance at 6.30pm in the school Hall. Everyone is invited to attend. Our youngest students will treat us all to a performance of 'Whoops a Daisy Angel', this will be followed by the PTA raffle draw after which KS2 and KS3 will perform a selection of songs, music and monologues. It will be great to see you there!

Please remember to return raffle papers and monies by Tuesday 3rd. Thank you in advance for your support!

Thank you to PC Karl Boulet for coming in and doing a Bike safety presentation with our Primary students on Wednesday afternoon. There will be more about this in our next week's Primary newsletter.

You will shortly receive a letter for the six monthly dental screening which is scheduled for 10th and 11th December. Please could you return these back to school before then.

Recently there has been an increase in the number of students wearing smart watches to school. This is a gentle reminder that as is the case with mobile

phones, smart watches are not to be worn in school. Any students wearing these will be asked to remove them and collect them at the end of the school day.

House points:

This week the winning house was once again Cronks! Well done to all Cronks students.

Our stars of the week were Harper in Primary and Leeanna in Secondary. Congratulations to both students.

A few photos of the finished benches from Mental Health Week:

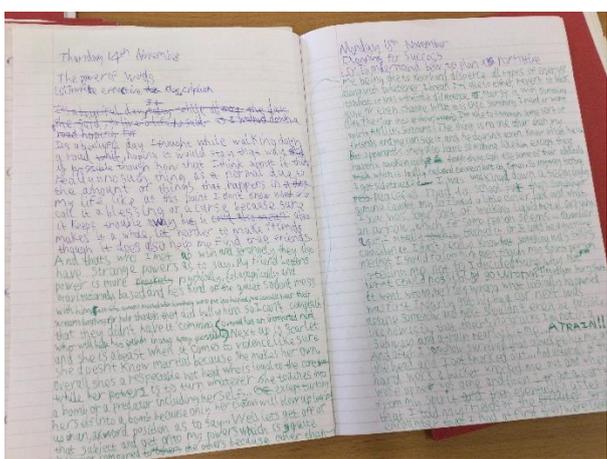

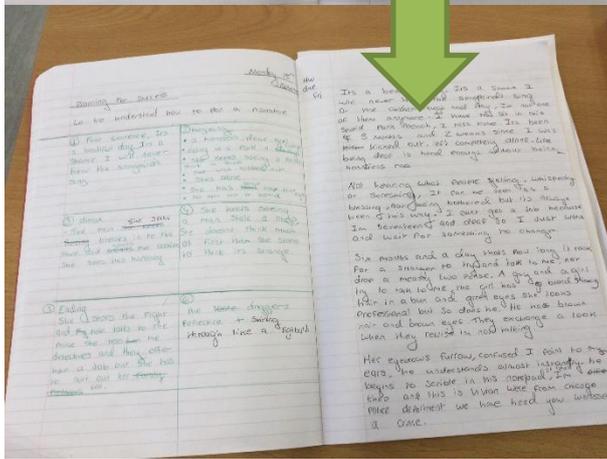

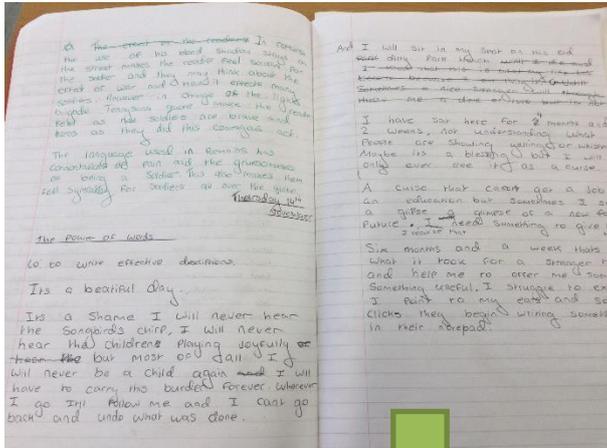

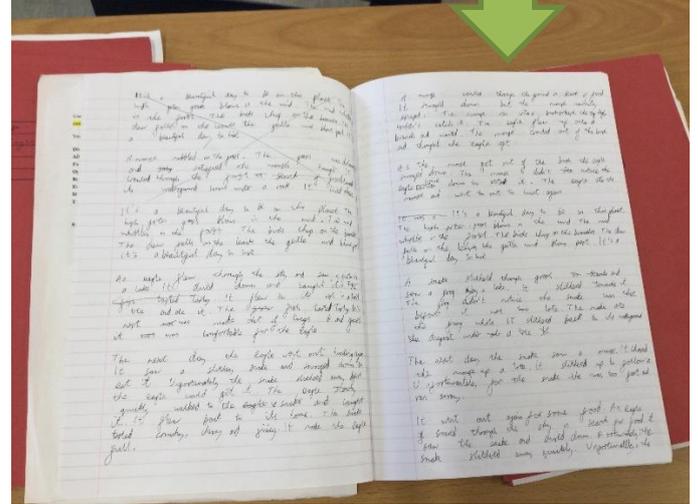

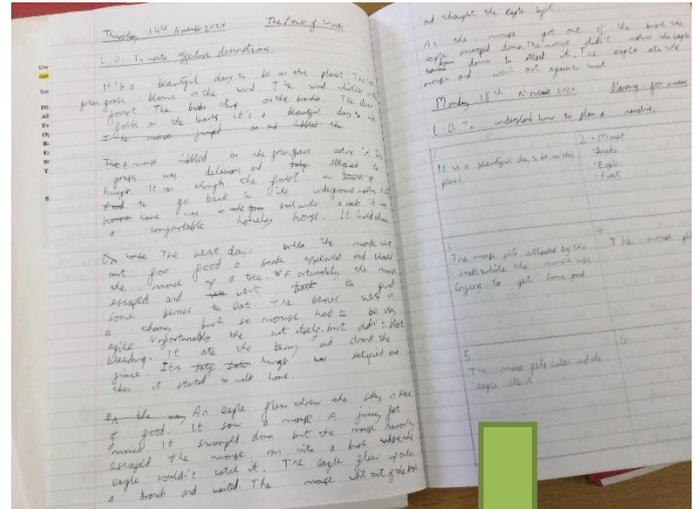

That's it for this week!

Tania Maggott
Head Teacher

Secondary students have been very busy this term creating many exciting objects across the curriculum. They would like to showcase their work and how they got to their final piece.

In English we have been studying war literature and descriptive writing. We were given the prompt "It was a beautiful day..." and had to write a short story. Everyone had a different idea and got cracking. Next lesson we talked about narrative structures and redrafted our stories to reflect what we had learnt.

Year 8/9 create Steam Punk Glasses

Year 7 makes yummy Tuna Pasta Bake...mmm delicious!!

Year nine have been busy in DT this term. We have completed a design and make IPAD stand in wood and are now well into making our candle holders using three different types of metal. Here we are learning new skills in metal work. We will cover, marking out on different metals, cutting, annealing, cold forming planishing, soldering, and finishing. This is where we are so far.
