

Hello Everyone,

What a busy week it has been! The year 10 and 11s are now well into Exam Season and are bearing up well, even though it is a stressful time. We will be continuing with the GCSEs and mocks for a few more weeks yet, but we know that all students will do their best.

In today's assemblies we had a visit from Verline Leo on behalf of the Ascension Island Motorcross Club, who came to award the winning and runners up prizes for the logo competition. Well done to Lewis Thomas who won first prize for his design, and also congratulations to Zoe Peters and Riley Leo-Francis for being excellent runners-up. Some of the Primary students also got an award and a certificate for taking part in the colouring competition.

On Tuesday, a visiting team of researchers, led by Oxford University, presented to Year 7-10 on their studies into the potential for recovering critical minerals from subsurface geothermal fluids, as well as the potential to provide geothermal energy here on Ascension Island. The main focus was the benefits of geothermal power generation over fossil fuels, as well as over other renewable sources that are more weather dependent. It was an enlightening presentation that added great insight into the world of renewable energy, which is covered in a range of secondary curriculums, including geography and marine science. We were very grateful to the team for visiting the school and taking the time to explain their project to us.

Finally, we sadly had to say goodbye to Maya, who is leaving over the weekend back to St Helena. We wish her well.

The Stars of the Week this week were Ada Bright in Secondary and Logan Henry in Primary. The house which got the most points overall this week was Elliots again. Well done to them!

Gentle Reminders

On another note, just a quick reminder to all parents and carers to ensure that if your child is going out on their bikes, to remind them to wear their bike helmet. Check out the bike safety poster in our newsletter which provides info on how to stay safe on your bike. Also, a reminder that there will be a children's 'Glow in the Dark' Village Walk as part of the Fundraising for Cancer event on 17th May. Meet at 7.30pm for a 7.45pm start. Dress up, light up and go for a fun nighttime stroll around Two Boats Village. Please come along and take part if you can.

That's all for now, have a great week.

Jo Smith
Deputy Head Teacher

Hello from TBS HOUSE CAPTAINS

Elliot's

Hello, my name is Lewis and I am the house captain for Elliot's. I'm proud to be in this leadership role and most importantly enjoy it, showing good sportsmanship at Two Boats School.

I value my role in Elliot's as I feel it can help lead my team to glory. I also feel respected as House Captain which makes Elliot's feel like my second home. I like team Elliot's, we are a small team and everyone likes to take part, this also brings us all together.

I am one of the House Captains for Elliot's. My role includes preparing my team for big events like sports day and Swimming Gala, plus other in school house activities. I am there to answer any questions my team has and to boost our team spirit.

Leeanna

Our Fate Our Sweat Your tears!

Dampiers

Jada

Being House captain offers numerous benefits, including developing leadership skills. I also feel it offers opportunities to build good relationships with House members and becoming a role model for other students.

Cohen

Hello from me Cohen. I am one of the Dampiers House captains. This to me is a special role and I am proud to be here in this position. Being a House captain means taking on responsibility and practicing leadership skills. Even though I hold this position I am part of a bigger family of Dampiers. With me as captain we will keep on fighting for first place. Our motto is, **Go hard or go home!**

Cronks

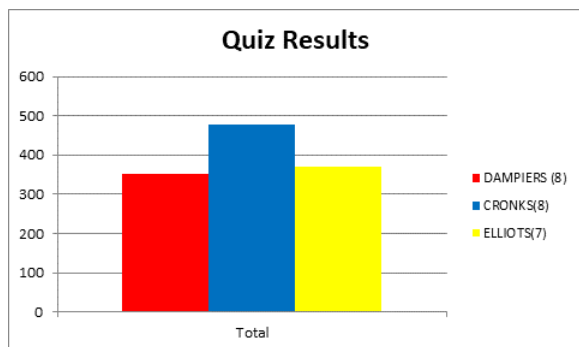

My name is Jaylen and I am the House Captain for the Mighty Cronks. I help my team stay motivated and happy, I believe in my team, I hope they keep up with the hard work that they put in every Sports Day and Swim Gala.

Jaylen

I am the House Captain for Winning Team Cronks. We represent our Team throughout the school Year, but play a very big role in Sports Day and Swimming Gala.

Jordan

Although we feature more noticeably at sports day and swim Gala, we are involved in other house activities inside school. Each month we are involved in inter house subject quizzes in the secondary school- latest results are shown here. We have also been involved with House team assemblies, with each house presenting an assembly based on a relevant theme and leading our teams in other assembly house activities.
