

Hello Everyone,

Here we are at the end of the week, already. It's been a fun one, particularly for the KS3 seniors who have started their enrichment week which is entitled 'Dress to Impress', culminating in a fashion show for the rest of the school to enjoy.

Students in year 10 have been out on their first week of work experience, and have been trying out what it is like to work for various organisations on the Island including Conservation, Encompass, the AIG offices, the Post Office and The US Base fire department.

### House Points

Our house cup was again awarded to Elliots! Great job Elliots!

Our stars of the week were Kiana Yon-Buckley and Scott Constantine in Yr 5 & 6. Congratulations to you both!

Meanwhile, back in school, Friday was a non-uniform day for Cronks students who had managed to collect the most house points over the school year, so this was appreciated by many of the students. Even so, everyone got to enjoy a blue ice-lolly as a special 'almost the end of the term!' treat.

Amber from Conservation will be running both a weekly drama and MPA club after-school next term. Look out for a permission slip letter coming your way soon.

We were also visited by The Governor and his wife.

That's it for now!

Welcome to the secondary newsletter.  
Every month we do a subject inter house quiz.  
Here are the results with the overall winners being Cronk's and Cohen Snell as our quiz champion!

This term sadly sees the leaving of Mrs. Bright and Mrs. Giles, who arrived together and leave together 4 years on. Here is what they have to say:

Mrs. Giles

When deciding what I should write for this newsletter, I decided to take a look back at what I originally wrote in my introductory newsletter in 2021. I wrote that I was looking forward to getting stuck into island life and exploring – I think I can safely say over the last four years I have definitely done that! I've loved exploring the island; I may not have completed all 42 letterbox walks but I've done well over half (George has done even more than me!) and worn out two pairs of hiking boots in the process. From ADF to Remembrance Sunday services, scout camps to beach braais, it has been a truly incredible four years and I am privileged to have been able to call this little rock in the ocean home. Ascension and the community here will always have a special place in our hearts, so thank you all and au revoir!

Mrs. Bright

As you know, my last week is now in sight, and I wanted to take a moment to say thank you. It's been an incredible 4 years working with all of you. I've learned so much, made some great friends, and I'll always cherish the memories we've created together. I'm excited about the next chapter, but I'll definitely miss this unique place and all of you. I have some incredible memories from the 42 letter box walks, "just around the corner", pier jumping new year, dew pond run, walking around the island and other charity walks, BBQ anywhere and everywhere, sports days at Mexican thorn arena, "crab dancing", swim gala's with the famous Mr. Bennett, Christmas dinner cooking, activity weeks and other random acts of educational silliness. I have seen my team grow and flourish and I wish them well in the next academic year. To the students: be bold, be brave, be you!

This week sees the start of our enrichment activities with this week's theme of "Dress to Impress" using 'clean 'rubbish. Looking at the 3R's of reduce, reuse and recycle. Students have turned old denim jeans into bowls, old school shirts into tote bags, old t-shirt into cat beds, pimped up old shoes and made couture outfits made out of packaging. They show cased all their makes to primary school with a bespoke TBS fashion runway. Check out our facebook page for more photo's!!
