

Hello Everyone,

On Thursday of this week Georgia Meth completed her online A level studies with us. Congratulations Georgia for your resilience and commitment to your studies! Georgia now awaits the results of her exams which will be in January 26. All of us at TBS wishes Georgia the very best for the future.

In our Assembly this morning Ms Smith introduced Antibullying week which kicks off next week with the theme. The power of good". There are a number of activities that will take place next week. A letter has been sent home to let you know what is on for each day. We will update you with more in our next edition.

We welcomed the new Administrator HH Rowan Laxton into school for the assembly and we look forward to having him visit us again in the coming weeks. During assembly we also took the opportunity to say thank you and farewell to Simon and Natalie for their help and support over that last three years. From all of us here at TBS you take with you our very best wishes for the future.

House Points

We had joint winner of our House cup this week: Congratulations to Dampiers and Elliots! Our star of the week awards were presented to Ronan and Cohen. Great job boys.

Christmas Raffle

As we draw ever closer to Christmas, the PTA has once again organised a raffle to be drawn on 4th December during the Christmas Production. Raffle papers will be out next week, we would be extremely grateful for your support with purchasing some of these tickets. There are a number of prizes to be won. To all those who have donated prizes we are truly grateful.

That's it for this week!

Tania Maggott
Head Teacher

Hello from Year 3

Greetings from Year 3! This half term our Topic is 'Back in my Day' and during our history lessons we have been using historical artefacts to discover what life was like in the Stone, Bronze and Iron Ages. In Science we have been learning about how sound is produced, how it travels and how it is recorded. Lilli-Beth is pictured here below conducting an experiment. She found out that the further back she pulled the elastic band the more vibrations were produced which created a louder noise!

In R.E we are examining the Nativity and getting ready for Christmas (only 7 weeks away!) Whilst in ICT, we are exploring the computer programme Audacity and using it to create our own podcasts. In P.E we have been learning about invasion games and Mr Watkins has been coaching us the techniques for attacking and defending. Also, in English we have been learning about instructional texts and we attempted to make our own origami boxes, it was a lot harder than it looked!

Well done to Byron, Matthew, Mila, Chase and Lilli-Beth for completing some wonderful homework over the half-term holidays from our previous topic 'Stories from the City Stories from the Sea.' House Points all around!!!

Finally, a big congratulations to Matthew, Lilli-Beth, Meeah and Peyton (not pictured) who all got certificates in last weeks assembly for hard work. Ms Harris and I are very proud of you all!!!

JAS Green Award

Hello there from Year 5 and 6! Since the start of the year, we have been taking part in the JAS Green award on Thursday afternoons. We have completed a range of activities developing our skills, our fitness, helping our community and preparing for our Key Stage 2 hike at the end of the term. In developing our skills, we have learnt about 4 figure grid references and have used them to complete an orienteering challenge. Next, we have been improving our team working skills through completing a range of challenges (the floor is lava) and team games (zig-zag rounders). Finally, we have been helping our local community and completed two litter picks around Two Boats. Additionally, we are hoping to raise money for the SHAPE Scheme of St.

Two Boats School
